Dear Everyone, Dave Ellis has emailed me stating ALL are invited, DIYers, Manufacturers, just those want to exhibit and those who just want to listen to some fine music. Looks like October 14-16th, Friday, Saturday, and Sunday. There will also be a DIY contest. For more information checkout www.chicagoaudiofest.com

Pretty much counts me out. That's the weekend of the Prosound Shootout. But please keep us posted and let us know how it turns out.
