Are you a fan of Florence and the Machine? I recently saw them on The Colbert Report and was pretty impressed. It's nice to see a musician with actual talent.

I love Florence and the Machine! Gah the whole album is beautiful! But if I were to choose my favorite songs from their album it would be Kiss with a Fist, Drumming Song, and Rabbit Heart! Amazing vocals!

Yes, her vocals are absolutely fantastic! I saw the band on The Colbert Report too. I think Rabbit Heart is my favorite song; I downloaded it to my mp3 player.

Florence is the best. I've gone to see her in concert twice and I hope to see her again on her next US tour. I think she's amazing. Has anybody else picked up Ceremonials yet? I have listened to it heaps already.
