What is with all the NCIS marathons lately? I like the show but it seems like it is on USA every time I turn around.

I guess the show has increased in popularity. It's also been on for so many seasons now that they have a lot of episodes to pick from for the marathons.

I have to admit that I love NCIS and I love that no matter what time of day it is I can usually find an old NCIS on TV somewhere. I really do love it. My daughter thinks Abby is great and I love Zeba!
