Does anybody else here watch any of the daytime "Judge" shows? I don't have cable or satellite at the moment, and I never really realized how many of these shows were on! I think the only ones I really like, though, are Judge Mathis and Judge Judy. The others are a bit boring.

I used to like Judge Penny. I liked her style, although I didn't care for her show much. It seemed like all she dealt with was spoiled rich kids. If she would have gotten a different type of show, I think she would still be on today.
