I don't know why I never really watched "King of Queens" in the past. Everyone told me it was good. I've just stated watching it and I think it's hilarious! Is anyone else a fan?

I love this TV show. I watch the reruns now. Kevin is so funny. I love the relationship with the dad too. I try to watch it every week.

I used to watch this show all the time. I didn't know that it was still on. I will have to look to see if it is still on here. I love the relationship that Doug has with Arthur. They make it so funny.

I wasn't a fan of King of Queens until after I married. It was something we started watching together and I don't know, it just kind of grew on me. I really like the wife.
