Is anyone else a fan of "How I Met Your Mother"? I wonder why I've only recently discovered it. Now I know where the phrase, "Wait for it" comes from.

How I Met Your Mother is a pretty good show, I watch it once in a while with my wife. We both think Neil Patrick Harris is really funny in it, especially with all of his references to the "Bro Code".

People have told me that I need to watch this show but I haven't yet. Is it one of those I can start watching from the middle or do I really need to start with the beginning?

I don't care for it at all - then again I've never been a Doogie Howser fan! I tried to watch it because all my friends said it was so great. I think I made it through about 2 weeks and never went back!

I love HIMYM. I think it's a great show, although the Christmas episode was a downer this year.

Express, you can just start watching it. There will be some inside jokes you may miss, but that's true of any sitcom.
