I know that it's the New Year already, but going through my holiday playlist, I realized that my favorite holiday songs were All I Want For Christmas is You by Mariah Carey and Baby, It's Cold Outside. I think I'd still listen to those songs even if it were a regular day of the year! xx

Under the Mistletoe was a song that was played at least 10 times each day at my house for the whole month of December. It's by Justin Beiber - my daughter loves him. I've always loved Angel on the top of my tree by Kenny Chesney. I also love Away in a manger by anyone.

Justin Bieber is the one who sang Baby, right? I haven't listened to Under the Mistletoe yet, but maybe I should. I'm not really a fan of his but I don't really mind his music either xx

Ick Justin Beiber. I know he's the big thing nowdays but I still don't get him. Most Holiday music tends to annoy me too much. I don't even have a holiday playlist. I do love listening to the Trans-Siberian orchestra though.
