Sorry about that Wayne,
I just asked for 3 pi plans but I meant the subwoofer plans for the Lab 12s.
Thanks again
Roland.

Hey Wayne,

I could use a set of the Sub plans too.

Also, what's the frequency response of this sub?

And how do you feel about something like this to drive it?

http://www.parts-express.com/pe/showdetl.cfm?Partnumber=300-803

THANKS!
