Do you have a favorite game? I figured we are gamers since we love audio. I don't have a favorite video game but we (family) do play a lot of board games.My favorite board game right now is Phase 10 Twist.

Card games are my favorite. Solitare, Speed, Crazy 8's, Go Fish, Old Maid, Spades, Hearts, Bridge. Mostly the ones available on the computer. They are easier to access during my downtime and are able to be played solo.

I'm a video-gamer myself and Skyrim is my favorite game, the soundtrack is amazing too and that's always a bonus. If I had to pick a favorite board game I'd say chess.
