Miguel is one of the newer singers in the R&B field and I think hes great! He can really sing and his lyrics are touching. My favorite song from him is "Sure Thing," with "Superhero" being a close second. What thought do you guys have about him?

I haven't heard of him before, but then again you said he was one of the newer singers and I'm not very updated with the RnB scene. I should check his music out. Thanks!

No problem, I hope you enjoy him as much as I have. I think that it will be a long time until there's an R&B singer better than him!
