I came across an episode of Top Chef on the 'net the other week and somehow felt I needed to watch the entire series. I don't even like cooking! I really need to stop wasting time this way.

Oh, how I miss Top Chef. We had to cut our cable. It's very easy to get into those type of reality shows. Bravo used to be the biggest time sink. Top Chef, Project Runway, Shear Genius, Work of Art... The list goes on.

I've never seen top chef but I LOVE kitchen nightmares, I used to work in a kitchen far worse than most of the things that they have on that show so it's funny to me.
