The campy drapes, gone!

Comtemporary is in!

A little greenery added.

What other diferences do you see?

I like those vertical blinds. They make the room look brighter and better, a clean look.

Looks good Bill, especially the veneer on the 4 Pi. How about some stands while you're on a roll?

The holes in your speaker stands must have some acoustic benefit. I'll bet you can market those right next to uber expensive cables and retire early.

Um...

(distracted long pause)

what?
