Which Republican candidate do you like most?

I'm not a Republican, so I don't have a dog in the race here, but if I absolutely had to pick one, I'd probably pick Romney.

I can't decide if I like Ron Paul or not. I do like his consistency and think he has a good grasp of the economic situation, but sometimes I think his ideas are too drastic and we need more gradual change than he advocates.

My two favorites would be Ron Paul and Mitt Romney. Ron Paul's message and ideas are great, but I think he's just a little too outside the mainstream. Romney seems to have the right experience and leadership, I could see him having an effective presidency. I'm pretty surprised at how well Rick Santorum's doing, I think he's too socially conservative to win.
