Subject: Who watched the ACMs last night?

Please don't tell me that I am the only one! I am a huge country music fan, and I enjoy watching the ACMs. Did anyone else find it weird that a couple was being married on TV WHILE a song was being sung? You couldn't even hear what they were saying!

I watched them too and I thought it was very odd. Leave it up to Martina McBride to sing while they got married. I thought Blake was funny but I'm not a big fan of Reba.

Did you notice how in the end Taylor Swift did not look shocked when she won "Entertainer of the Year". I wonder if it was the joke that Blake made in the beginning about her new perfume.
