We were driving home from Georgia yesterday (back to NY) and I can't believe how many sport radio shows were on. It seemed like every time we scanned to see what else was on, every other 3 stations were sports related. I don't know who would want to listen to a game on the radio.

Hi, Not to cause consternation, out here (Arizona) there are no such stations. It is a regional thing.

Must be regional then. I was in Georgia and came through SC, NC, PA, WV, VA and I swear each state had more sports radio stations. I don't usually hear a lot of sports on the radio here in NY though.
