Are there any Brad Paisley fans here? I used to HATE country music especially as a teen, but as a Southern gal I have heard it all my life. Now that I have gotten older I have developed an appreciation for both the talent of the musicians and the wonderful stories in the lyrics. Brad Paisley is seriously talented. I watched a Crossroads with Brad Paisley and John Mayer and Brad Paisley put Mayer to shame.

I think Brad Paisley is great. He's one of the few newer acts I'll listen to. Most of the new acts kind of cater to the younger crowd and, let's just say, I don't fit in with that crowd anymore.

I loved his duet with Allison Krause years ago, "Whiskey Lullaby."
