Have you ever ended up purchasing a DVD of a concert you went to? My hubby got one for me of an Avril concert we went to, and I was really glad since I hadn't brought a camera because I didn't think it was allowed.

I have never bought a video of a concert that I actually attended, but we do have a large collection of concert dvd's. I think even if I bought a dvd of the same artist and tour I might buy a dvd of a different venue.
