...today I'm 65!

Drilled holes and tinned wire all morning, rode my Mt Bike in the forest most of the afternoon and just came back from a family birthday dinner.

Excellent!

Happy Bithday, Bill!

Like some of the others here, I too am nipping at your heels; I'll be 62 this year. Unfortunately, no retirement in sight with a 13 and a 11 year old still hangin' with the Mom and Dad.

I hope this year brings you good health and musical prosperity!

Garland
