Does anyone else here watch Breaking Bad? We just discovered it on Netflix and we are about halfway through the second season. We don't usually get into tv shows, but this one has turned out to be really good!

I absolutely hate it.

I'd like to find the show's writers, directors and actors and shoot them up with meth. Except they probably already do that now, so they'd like it.

To me, it's on the same level as running a prime time series showing people that kidnap children and sell them into sex slavery. The season finale can even be a snuff film!

Fucking assholes.

I have seen a few episodes but I haven't really kept up with the series. I was kind of suprised at the language in it though since it wasn't from a premium cable channel like HBO. I guess the FCC has relaxed their requirements a bit.

I'm a bit more upset with the content. As I said, it's no better than making a series about child sex slavery, in my opinion. It's the dregs, the worst of the worst.

What? This show is about childhood sex slaves? I've never seen Breaking Bad and I won't be watching it after reading that. I can't believe there is anything like this on TV. Sounds pretty messed up to me.
