I am a big fan of Matthew! Are you? I was a little creeped out with him in "Magic Mike". Have you seen him lately? He lost 30 pounds or so for the new movie "The Dallas Buyer's Club". What are some of your favorite movies with Matthew McConaughey?

Isn't his new movie where he plays a man who has AIDS? I bet that is why he lost all the weight. I do like him too. I loved the movie Failure to Launch.

I like Matthew. I don't respect him all that much as an actor, but he is hot and I love his voice, so I certainly don't mind watching him.
