Did you catch the new TV sitcom, The New Normal? I watched it the first 2 nights and thought it was great. I laughed throughout the 2 episodes. It's about a single mom, grandmother and 2 gay men.

That's a rather different premise. Really is the new normal huh? I never did see it because I don't watch much T.V., but I'm always open for something different and that show certainly sounds like it qualifies.

It's a cute show. The single mom is a surrogate mother for the gay couple. I like how the bigoted grandmother is slowly moving towards acceptance of the gay couple.
