I found one of these online for about 10 bucks, is there any other place where I can find this for cheaper?

Check out BOI Audioworks. They have Electro-Harmonics and JJ/Tesla tubes new for \$9.00. New-old-stock military grade Phillips/ECG 12AT7WC JAN is \$10.00. Several other brands are available there too, so check the BOI Audioworks website.

12AT7 / ECC81 tubes at BOI Audioworks
