Sometimes stations will re-air old segments, such as Casey Kasem's Top 40. Do you ever listen to these nostalgia shows? I don't seek them out, but I have heard bits of pieces of them sometimes.

No, I don't think I have ever heard a flashback airing, but I'm not surprised to learn they rerun Casey Kasem. He was a pretty big deal.

Whenever I am able to catch them, yeah, by all means. I'm a sucker for anything 70's and shows like Casey Casem's or The Midnight Special always takes me back.

Hi, They have them all the time on the 70s section of XM satellite radio. Since I grew up near NYC I always listened to WABC AM and it is neat to hear clips from back then. They even do some of the more memorable commercials.
