Has anyone seen the new Bond movie Freefall? The reviews I'm reading aren't exactly glowing, which is a bit of a surprise considering the iconic nature of the genre.

I do not think I have ever watched any of the James Bond movies before. Therefore, I can't say that I am really looking forward to the new James Bond movie. However, I did happen to hear the song Adele has sung for it...it's awesome!

I'm not a big Bond fan myself, so I haven't bothered to see the new movie. I think perhaps Hollywood should take a break from Bond for awhile and then renew the franchise later.
