Are there any Black Friday shoppers here? I went last year, and there are a few deals that have tempted me, but I don't think that I am going to go. I will be shopping on Cyber Monday though!

I'm letting my fingers do the walking - that is on the keyboard. There is no way I'm leaving the house on Friday. Too dangerous, if not in the stores,then in the parking lots.

I didn't do the Black Friday thing this year, but I am probably going to do a little shopping tomorrow. I am really trying to cut back this year because we are trying to move clear across the country and we need the money.

I am a Black Friday shopper! I love the crowds! I did not find anything on Cyber Monday online. I was very disappointed in the sales. I did get a bunch of new CDs and a TV on Black Friday!
