I went to Walmart last night (I know, I know) and got a DVD player for the car. It has two screens and costs only \$50, so it's perfect for an upcoming road trip with the kids.

Well, it's awesome that you got a good deal! I just couldn't do it this year because last year was so bad. I am going to Walmart in a bit, but I figure most of the crazy shopper's are gone by now!
