Any Twilight fans? Are you sad that it's over? Did you see Breaking Dawn, Part 2? I went to see it the weekend it came out. It was great! I think I will probably go see it again! I read the books so I knew how it was going to end. Even after the whole thing, I'm still Team Jacob!

Yes, I thought the movie was really good. Usually I prefer the books to the movies but this time it was the other way around. The twist really threw me.

Yes, it was quite good. I enjoyed the twist tremendously. The shock and murmurs throughout the theater were a bit funny too. I think everyone thought they knew what would happen and were just flabbergasted when things changed.

I thought the same too. I kept thinking after it all, was this in the book. I read the books when they first came out. I should go back and read them all over again. I loved the movie. I wish they would put out another with Jacob and Nessy.
