Anyone a fan of Hunter Hayes? My daughter thinks he is the best. I do have to say that I was listening to the radio and there was a Christmas song on. I really enjoyed it and when I used SoundHound and found out it was Hunter Hayes, I bought the CD.

Isn't he the kid who played all the instruments on his debut album? I've heard a few of his songs and he does seem pretty talented.

I don't have the debut album. I did hear him sing another song today and it was good. I think that is 2 now that have hit the radio (not including the Christmas one). I know he can play a lot of instruments but I didn't know he played them all on the first CD.
