Hi Wayne,

I am looking to build a pair of your 2 Pi tower speakers. Could you please send me the plans?

I sent to the gmail address you have listed in your AudioRoundTable.com profile. It's the one you used when you created your ART login.

If that address doesn't work, send me an alternate address and I'll resend.

Weird, I didn't get anything on that email. You could also try sterspam@gmail.com Thanks!
