I was wondering if there was anyone near Buffalo, NY with a pair of 4Pi's they might be willing to let me audition?

Do you have a passport?

I just finished a 4pi L/C/R using the 2226H's and DE-250 clone.

I'm located in NF, Ontario. Pretty close.

My room is far from ideal and im still waiting on speaker stands but they still blow me away.

Yes I do have my enhanced license. I love to have the opportunity to hear them, maybe next week or next weekend. What ever works for you. Let me know.

I usually get a day or two off during the week, and Sunday's on the weekends. I'm not really sure when would be good yet, but you can definitely hear them sometime soon.
