What was your favorite Super Bowl commercial? Mine was the Oreos spot; I loved how they all whispered throughout the mayhem and the cop's line was great.

I didn't catch any of the commercials that aired during the Superbowl, but I like the Bud Light commercial that was airing for most of January. How does the Oreos commercial go?

I think my favorite SuperBowl commercial was the GoDaddy one, only because it's stirred up so much controversy since it aired. It's been a hot topic of conversation among friends and family for almost a week now.
