What are some of your favorite "one-hit wonders"? Personally, I like that Tommy Tutone song "8675309". (Did he have any other good songs?) I've liked that song for years and years but only recently learned who did it!

You know that song Key Largo? (Key Largo/Montego/Ooh I wanna take you to Bermuda, Bahama, come on pretty mama...) That's probably my favorite one hit wonder of all time. I'd have to look it up to know who did it. All I know is that it came out in the early 80's.
