The New York Audio Show was last weekend, from the 12th to the 14th. Was anyone here able to go, or would you want to go next year?

I would love to go to one of those shows. I'm really interested these days about all the advancements they have made with audio systems. I feel like I'm out of the loop a little when it comes to that.

Hmmm, I wonder if I could talk my husband into a road trip to Dallas in May. I'd have to start working on him pretty quickly since that's just a couple weeks away.

Ahhhh HELL NO, besides the suck as traffic in NY, they'll take my guns, booze, broad's and drugs away, and what fun is that. Being the mama city I can't even buy a soda over 16oz, forget about it, I'm not going to NY.
