I know this is not an earth shatteringly important question, but I am curious. I notice that every member has a status. Mine is Chancellor, which I assume means newbie. I've looked on the site and haven't been able to find a list or explanation. What are the higher levels we are all aspiring to?

Actually, reach "Master Administrator" and all will be revealed. I'm a baron. It makes me feel important so I don't question it. I guess the only way to find out what all the levels are is to stick around and keep contributing.
