Subject: Home-made Boomboxes Posted by The Noise on Tue, 30 Apr 2013 21:10:59 GMT View Forum Message <> Reply to Message

Hey there, I'd like some ideas on home-made boom-boxes. The one's they sell at the stores are alright, but I'd like something custom made that I can take anywhere. Any ideas?

Well, that is the whole idea behind boomboxes.....that you can take them anywhere. By custom made I'm assuming you want better sound. For that, just buy a better set of speakers than the store bought variety offers and build around them.
