Anyone been to any good shows lately? I'm in a jazz mood so I think I'll check the listings for some good acts. Just small, club-like venues will be fine for me.

We haven't seen any good shows in a couple of years now. Tickets are just so expensive these days! We've also stopped dining out in favor of eating in, so we haven't had the opportunity to see shows in smaller venues either.

Times are tough, that's for sure. If I do go to shows it's at smaller venues like clubs. The smaller unrecognized acts don't charge as much.
