This deal came along on a mint '05 Santa Cruz Heckler frame and parts and took my LSAF Fund.

It arrived today and after I move the wheels, brakes, derailleurs, etc from my old Hardtail, I'll be Stylin', Dual Suspension Stylin', that is.

Oh...it also gets a Rockshox Sektor air spring 150mm fork. A bit less than a \$\$\$Grand invested and it's a \$2500 ride.

Completed, it looks like this, except mine is white, of course. My 66 year old Butt can't wait to be suspended

You were missed, Bill, but I completely understand. We can chat here for free, and that bike will give you lots of enjoyment. Gotta spend the money where it makes the most sense!

Congratulations, Bill. That looks good. Enjoy it!
Speaking as a former NYC bicycle messenger (7 years -- retired alive,) I never liked suspension.
But now, in my old age XD, I can appreciate it more.
