Do you listen to podcasts often? I almost never do. If I want to see the news I turn on a television, but that's just me.

Nah, I don't ever watch podcasts. Like you, I would rather watch the news on TV. Alternately, I might read a few news articles online.

No, I don't. I see how podcasts would be useful if you're on the move a lot, but usually when I am, the news is the last thing I want to see.
