If anyone wants to help the storm victims of the Moore Tornado, please consider donating at the following link:

Wild Al's Famous Foods I know this guy - Grew up with him, known him all my life. He's awesome. Makes a damn good barbeque too, but that's not exactly my point.

Alan Bouda runs a catering service and he is currently delivering food to the people of Moore Oklahoma. He just set up his truck and started handing out free food there to anyone that asked.

He is cooking up a storm (sorry for the pun) everyday until he runs out of food. Al is providing food for anyone who wants it...no questions asked...rescue workers, clean up crews, displaced residents and so on.

If you would like to make a donation, you can do so knowing that your money will be put to good use. Please go to Wild Al's website, where you can click on an icon at the bottom of the page to make a donation.

He's doing a wonderful service to people who sorely need it. We need more people like your friend Alan in the world. Thanks for the link.
