I just watched The Call finally and it was amazing. Has anyone else seen it? Halle Berry plays the main character and she is a 911 operator. She made a foolish mistake in the very beginning of the movie (can't say what in case you haven't seen it). If you like suspense, you have to see this one. I was on the edge of my seat the entire time! If you watched it already, what did you think about it?

I haven't seen it, but I might have to check it out. I generally like Halle Berry, and I love suspenseful movies. Thanks for the recommendation!

No, I have not seen "The Call" yet, but Halle Berry chooses her movies well, especially when she plays the main character? I did not give the movie much attention, but you sure made me curious. Thank you,roxxi.

I did watch it and it was amazing. I loved how it ended. I have to say that I was on the edge of my seat throughout the whole movie. It wasn't slow at all. She sure does pick her roles great.

I 'Googled' some reviews on The Call, and the ratings vary from Rotten Tomatoes to 6,7/10 to five stars! Just proves that taste differs. I also watched the trailer and I must say, I would LUV to see this movie!
