I took my daughter to see Justin Bieber a week or so ago. I have to say that I was pleasantly surprised with his show. He was pretty entertaining. I really expected to be bored and counting down the minutes until it was over. Anyone been to one of his?

I have not and never plan on going to a Justin Bieber concert. I think the kid is a punk. I doubt that he was actually singing during the show anyway. Most pop stars that have a lot of dancing in their shows don't.

My daughter leans more to the side of Miranda Lambert. Thank God. So no, I have been to one of his concerts and probably never will.
