Did any of you catch the premiere of Survivor last week? The theme is Blood vs. Water. The contestants are returning players and their loved ones, on opposing tribes. It was an interesting start.

I'm a Survivor fan too. I can't believe they had three people on Redemption Island by the end of the episode. It was a pretty cutthroat start!

Is anyone following the show? This is about the only reality show I watch. The contestants sure have a lot more things to take into consideration as they form strategies this time around.
