I hear the Breaking Bad finale was last night. It was one of those shows I meant to see but never did. I think it's on Amazon Prime; would you recommend it?

I know I'm in the minority, but I hate that show. I personally know a lot of people that have died from drug addiction, so to have a show about it to me is pretty revolting.

That's an understandable reaction, Wayne. I am sorry you have lost so many people to drug addiction. It truly is horrible.

As for the show, I haven't seen it either.
