Have you ever met the DJs from a favored radio station? I saw some people setting up the tent at an Oktoberfest last weekend but we didn't have time to stay and meet the DJs.

I have met DJs from local radio stations here in our city. My husband was a musician and part of a band in his younger days. He had a lot of interaction with local radio stations and participated in a few of the local competitions they put on. There were always DJs around for these talent shows.

I have never met a DJ in person. I'm sure it's nice and all, but I figure they are just people and don't get too excited about it.

One of our local country stations sponsors a country music expo each year. I have had the opportunity to meet and greet with the DJ's. I also had the opportunity to meet performers like Tim McGraw, Faith Hill, Rascal Flatts, Alabama and many more.
