Has anyone seen the new Tom Hanks movie Captain Phillips? I haven't seen it yet, but my sister-in-law said it was awesome. I actually can't think of a single Tom Hanks movie I have ever seen that was bad.

Tom Hanks is amazing. As for the movie, a friend of mine told me it was pretty good and very dramatic. He said it went a bit long though, with a lull in the middle, so I guess it could've been edited better. He told me go see it if I have the ticket money and I'm bored, but otherwise it can wait for rental.
