Have you seen Ender's Game yet? I want to go see it since I loved the book. I was supposed to go this past weekend, but didn't make it.

No. We were going to see it this weekend but our babysitter fell through. I was so disappointed. Hopefully we can see it this weekend instead.

That sucks, audioaudio. I finally got around to hitting the theater and seeing Ender's Game and it was really great. If you can find another babysitter, you should go!

We did, actually. Our Friday night sitter was available again, so we went that night. I enjoyed the movie too. Clearly it's been a long time since I read the book, though. I'd forgotten so much.
