David Cope will be married to his lovely bride, Jo-Ann Hayward, on Saturday October 2th. David is a really nice guy who I've had the pleasure of knowing for several years. He is active on AudioRoundTable.com (though, understandably, not as much lately) and his company Triode and Co has been one of it's sponsors since the time it was formed. Triode and Co is the Audio Note distributor for the USA.Congratulations to David and Jo-Ann!

Hi Wayne!Yikes! I wasn't expecting to see a wedding announcement on ART. You're too much, in the best way possible. You even got the Hyphen in Jo-Ann! What attention to detail.Just spent all day clearing out my now former apt, and I'm ready to crash for the night. Meanwhile I'm comparing Sogon vs Vx IC's to help a dealer friend and his customer make a decision.Help! I'm either incurable or insane. Maybe I'm incurably insane.BUT I will be completely focused on the big W from mid-day tomorrow on . . .Thanks for the good wishes!

We don't marry for peace! Peace is over-rated anyway.

I have the impression that's not necessary these days. Anyway, I have met the new Mrs. Cope and Mr. Cope is a fortunate man. She is quite wonderful. So he is indeed to be congratulated.
