Wayne, would you please send me the plans for the 1 Pi and 2 Pi and 2 Pi towers?

Thanks

Please decide which model you prefer. Let me know and I'll send plans.

Well, I was thinking of a pair of 1Pi for the bedroom and either the regular or tower model of the 2Pi for the living/theater room.

However if I can only have one, I guess it would be the 2Pi tower if I can get the size factor past the wife approval process.
