I used to be disappointed when Christmas was past, but now it's become a bit of a relief. I always enjoy Christmas morning, but often the afternoon and evening find me out of sorts, so it's good to wake up to a new day.

I couldn't get into the Christmas spirit at all last year. I don't know what it was; maybe it was because the holiday "snuck up" on me. I was glad when it was over, too.

Hi, I had a tough time getting excited about it as well. If it wasn't for 3 grand daughters I probably could have skipped it altogether. With pretty high temperatures here this year and not much fan fare locally it was tough.
