Has anyone here seen the new Mark Wahlberg movie that is out in theaters right now? I can't remember what it's called but it's a military movie and it's based on a true story. It looked like it would be good.

I believe you are talking about Lone Survivor, and no I haven't seen it yet. I would like to see it even though you know there is not going to be a happy ending there.

Yeah, Lone Survivor is the movie I'm talking about. A friend of mine saw it late last week and said it was good, but he didn't say anything about the ending.

I like Mark Whalberg so this is definitely on our watch list. I would actually like to read the book that this one is based on.

I would love to see this one, but I have not had the chance to yet. I did watch an interview with the guy that the movie is based on. It sounds like it would be really good.
